

Eli Marchetti

Student of Architecture, University of Arizona

PROFESSIONAL SUMMARY

I am an architecture student looking for industry relevant summer employment. I am reliable and hardworking and eager to learn. I am seeking an opportunity that will allow me to grow in my skills as I contribute to organizational priorities. My prior experience in construction and in working with building materials enhances my understanding of design principles for architecture. I look forward to the opportunity to discuss ways in which I could become a valuable contributor to your team.
